

Radovan Salek

Candidate to position: Member of the Board of International Jumping Officials Club

NF: CZE

I am putting my candidacy for member of the board of International Officials Club where I am long time member.

I am offering to Club my experience from equestrian sport. I learn a lot about our sport as rider, judge or steward. And I am learning every day something new. I am FEI Steward Jumping L3 and FEI Judge Jumping L3. I am acting in education on national and international level.

Experiences from organization of shows and officiating on different levels giving me close touch with sport. All those knowledge I like to use for our Club. I understand challenges and concerns of Officials and like to represent them and their needs in Club.

I like to be strong member of the team and good representative of our community.
