

My motivation to stand for election:

I strongly believe that being a member of the IJOC can bring many benefits to any FEI official. It keeps us up to date with the rule changes. It gives us the opportunity to have an annual refresher at the G.A. It also provides a huge network of friends from so many parts of the globe who are always there to support and help in any way. However, there is always room for more!

Having been a board member in the past, I feel I still have a lot to give to the IJOC in helping the club not only to expand globally to even more corners of the world but also to listen to what our members would like to gain from the club and try to help bring some of their ideas to the table.

As for my CV well... I'd rather tell you a little about myself for those of you who don't already know me.

Kuwait is home and has been for over 30 years. I am the MD of Design of my own company. Being self employed does have the benefits of being able to take a *little* time out to fore fill my passion of being an FEI official. Over the years I have been extremely fortunate to act as both Judge and Steward in Europe and regionally in the Gulf. I have had the good fortune to represent the FEI in South Africa as part of the solidarity programme, WEG 2014, YH Championships Belgium, Asian Championships Thailand, LGCTs and many CSIs of all stars.

I am also the person that begs you for photographs in order to keep the IJOC Instagram account full of interesting posts!
