

## Post-Event Feedback Survey Summary / Prague 2020

**146 sent, 76 replies**

**Overall, how would you rate the event, and did you feel it was well organized?**

46.05% excellent

42.11% very good

**75 out of 76 were positive about the event**

**Was the event length too long, too short or, about right?**

89.47% about right

06.58% too long

**POSITIVE:** presentations / good atmosphere / interesting discussions / meeting friends / FEI is present / convenient venue / not too expensive / easy to fly to

**NEGATIVE:** **not having case studies** – organize **more open discussions** / more interaction with the rider / no coffee / make sure the Wi-Fi works – send in advance of the seminar info about in-person test / improve the registration system

**What were your motivations for attending the Seminars & General Assembly?**

1. To update myself on **rule revisions**
2. Having to take the FEI "**In-person**" **maintenance test**
3. **Networking / share the updates/information with my NF Officials**
4. Visiting the host city

**Do you think this is the ideal time to take the in-person test?**

89.47% YES

**Are you happy with the dinner at the Seminar or would you prefer a different type of gathering?**

76.32% happy

06.58% had another ideas

Main comment: Whilst the dinner was excellent, would like **more of a chance to mingle, network and meet other members** as part of the evening
