Elections 2020

IJOC Web site

Online, 24 January 2021

Initially we received five applications of candidates for IJOC board. After the announcement of their names with letter to IJOC, due to personal reasons, Na'ama AGMONT LICHT (ISR) decided do not to seek election.

Now the election process is open with four candidates. Please check your emails, including the SPAM folder for an email from the online voting platform ElectionBuddy. The email contains a link similar to that one <https://secure.electionbuddy.com/1234-ABCD-5678-EFGH>.

Click on the link and you vote for your candidates.

The election will close on 23 January at 23:59h.

Following the announcement of the verified results, the first three candidates with highest number of votes will be elected with a full term for three years.

*How to make the process
more informative*

- To give a chance candidates to present themselves
- To present their ideas
- To connect names, faces and ideas

PRESIDENT'S BLOG.

In 2018 we started as board with a new approach with working groups and a survey to ask what you expect from our club. With the results of the survey we started to work on our club. Now we have a new website with a forum to discuss cases.

We also started communicate with you also via email

With my presidents blogs I will update you on the developments in our club. This all helps us to open our club for our present and potential members.
