Motivation Letter

Dear Friends,

To begin, I would like to thank everyone who voted for me three years ago. I appreciate your confidence and support.

I want express my interest as a candidate for one of two positions: the Presidency or for the Board. My reason for being a dual candidate is simple, I would like to continue the work I have begun on behalf of the Club. My first choice is to serve as President alternately to continue to serve as a Director.

During my first term, I successfully expanded the number of candidates for the Board from the Americas, chaired the Strategic Planning Group, was elected as Acting President, oversaw the expansion of webinars to provide additional education for the members and represented the Club at FEI and EEF meetings.

As our show jumping community returns to normalcy, it is important to expand our educational efforts, to enhance our Regional Representative presence and to grow our membership. I am committed to the goal that the Club represent the needs of all three interest groups.

I am asking for your support and most importantly for your vote. Together we can build for today and for the future.

Sincerely,
