

Annual Activity Plan

for 2022

As presented to the IJOc General Assembly
by
Teodor Sheytanov, Secretary General
Online 23 January 2022

Main Goals 2022

5

Main goals

1. Establish an FEI WG to address the challenges Officials face. For example:
 - Evaluation of working conditions – the number of horses in relation to the number of the officials, the length of the work days
 - Remuneration of the Officials according their responsibilities during an event
2. Create an IJOC awareness campaign
 - Development of communication plan deigned to reach the FEI Jumping Officials who are not IJOC members
 - To promote the positives – WHY is important to become an IJOC member, WHAT value do you receive as IJOC member
3. Strengthen Involvement with the Rules Revision for 2023
4. Identify and complete the appointment of new corps of Regional Representatives
5. Develop and host a Seminar (In-person MC) for Course Designers

approx **9**
Groups

- Building upon the success of the 2021 IJOC Case Studies events to continue in 2022 to organize and host a new series of Case Studies sessions
 - Groups organized on Regional Principles
 - At time convenient for the participants in the respective groups

Communication

- Host an online meeting with the IJOC members and the Board
 - At least once per year
 - To present the responsibilities and the activities of the Board Members
 - Provide IJOC members the opportunity to share their views, ideas and comments
- Establish regular online meetings with the Regional Representatives with Jumping Officials (not only IJOC members) within their region to:
 - To present the Club and demonstrate its value
 - To explore the problems / needs of the region
 - To explain the value to become IJOC member
- Promote and host online meetings to discuss future rule change proposals and again after distribution by the FEI of the first drafts

Activities for members outside Europe

Online, 23 January 2022

How to bring value to our members outside Europe:

Coordinate and consult with the newly appointed Regional Representatives to identify needs and to develop practical proposals

Coordinate events in close collaboration with the applicable NFs

Plan created in 2022 for implementation in 2023
