## **Appeal for candidates for the position of IJOC Board member, and IJOC President 2025 - 2027**

Dear Members,

We would like to inform you about the upcoming IJOC Board elections.

As per our statutes, an annual rotation for board members is defined by Art. 9.6. Accordingly, for 2025, we have two board member seats as well as the presidential position for elections. Current board members, (i.e. Gerald Kuh (HKG) and Eric Straus (USA)) and the current president (Glenn Maes (BEL)) are re-eligible.

Today we are launching the appeal for the full term of 2025-2027. If you wish to apply as a candidate, please complete the application form attached. Additionally, your application must be accompanied by a motivation letter, your CV, and a recent photo. As an option, you may also include a 3 minute video recording. All documents/files must be submitted to [sg@ijoclub.com](mailto:sg@ijoclub.com) latest by **23.59 CET on 22 November 2024**

After the deadline, candidates' names, their motivation letters, and CVs will be published on the Club's website and/or sent by email to members. As usual practice, the election process will be conducted online. The online voting system will be activated in December, and the exact day will be confirmed in due course. The voting system will remain open until **23.45 CET 23 January 2025**.

Please be advised that the maximum number of Board Members including the President, representing the same nationality shall be two. If more than two persons of the same nationality, including the President, are elected as Board Members, those with the most votes shall be selected, and those following shall be replaced by the person(s) immediately below them in the results of the voting. As I am also up for re-election, and in order to provide a transparent and neutral election process, all future communications regarding the elections will be done by our Secretary General.

We look forward to receiving your applications.  
Kind regards.

Glenn Maes  
President
